AMENDED INFORMATIONAL STATEMENT FOR ADOPTED REGULATIONS
AS REQUIRED BY NRS 233B.066
R046-13

The informational statement required by NRS 233B.066 is submitted for the adopted amendments to Nevada Administrative Code (“NAC”) Chapter 628:

1. A clear and concise explanation of the need for the adopted regulation.

The Board is required by NRS 628.120 to adopt regulations reasonably necessary and expedient for the orderly conduct of its affairs and for the administration of Nevada Revised Statutes (“NRS”) Chapter 628. It has been approximately 10 years since the Board last amended its regulations. The purpose of the proposed amendments to the regulations is to reflect statutory amendments made to NRS Chapter 628 in recent years and other administrative changes the Board deemed reasonably necessary and expedient for the orderly conduct of its affairs and for the administration of NRS Chapter 628.

2. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.

(a) Copies of the proposed regulations, notice of intent to act upon the proposed regulation and notice of workshop and hearing were sent by U.S. mail to all licensees of the Nevada State Board of Accountancy. These documents were also made available at the website of the Nevada State Board of Accountancy, www.nvaccountancy.com, mailed to all county libraries in Nevada, and posted at the following locations: Clark County Court House, Las Vegas City Hall, Washoe County Court House, and Washoe County Library.

(b) A workshop was held on September 17, 2013 in Las Vegas in conjunction with the regular Nevada State Board of Accountancy (“Board”) meeting to obtain comments in connection with the proposed regulation changes. A hearing was held on September 25, 2013 in Reno to solicit additional comments regarding the proposed regulation changes. An additional meeting was held on October 2, 2013 adopting the proposed regulation. A total of 17 people attended the meetings and the Board did not receive any comments regarding the proposed language, or any opposition from licensees to the proposed fee changes.

At its meeting on October 22, 2013, the Legislative Commission deferred action on the regulation and referred the regulation back to the Board expressing concern about proposed increases to certain fees in NAC 628.016. On November 12, 2013 at its regularly scheduled and noticed meeting, the Board voted to amend the proposed fee increases in NAC 628.016 to address the concerns of the Legislative Commission.

(c) All interested parties may obtain a summary of public response by written or verbal request to: Nevada State Board of Accountancy, 1325 Airmotive Way, Suite 220, Reno, Nevada 89502 or cpa@nvaccountancy.com

 - 2. the hearing was 0
 - 3. the Board meetings adopting and amending the regulation was 0
- (c) The number of submitted statements to the agency was 0

4. For each person identified in subsection 3 (b) and (c) above, the following information if provided to the agency conducting the hearing (a) Name; (b) Telephone number; (c) Business address; (d) Business telephone number; (e) Electronic mail address; and (f) Name of entity or organization represented.

Not applicable as no one provided comments to the proposed regulations.

5. A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons may obtain a copy of the summary.

Comments were solicited from affected businesses by mailing a copy of the proposed regulation to each licensee of the Board and in the same manner as they were solicited from the public described above. The summary of public response is set forth in response to question 2 above and may be obtained as instructed in the response to question 2.

6. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

The proposed regulation was adopted on October 2, 2013 and included all of the changes suggested by the Board members at the workshop and public hearing. The changes included only minor clean up and clarification language. On November 12, 2013 at its regularly scheduled and noticed meeting, the Board voted to amend the proposed fee increases in NAC 628.016 to address the concerns of the Legislative Commission.

7. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately, and in each case must include:

- (a) Estimated economic effect on the businesses which they are to regulate**

This regulation should not have an economic impact on businesses that provide public accounting services.

(b) Estimated economic effect on the public which they are to regulate

This regulation will not have an economic impact on the public.

8. The estimated cost to the agency for enforcement of the proposed regulation.

Enforcement of the regulation will be performed by the Board and there should not be any additional costs associated with enforcement of the adopted regulation.

9. A description of any regulations of other State or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlap is necessary. The regulation does not overlap or duplicate any federal, state or local regulations.

10. If the regulation includes provisions which are more stringent than a federal regulation which regulates the same activity, a summary of such provisions.

The Board of Accountancy is not aware of any similar regulations of the same activity in which the federal regulation is more stringent.

11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

The regulation does provide for certain existing fees and administrative penalties not to exceed a certain amount; however, there will be no fee increase at this time. There is a new fee for providing a copy of a public record. Public record requests to the Board do not occur often and the Board Staff attempts to provide public records in response to the request electronically if possible so there is no cost to the requester. The Board expects to collect little, if any, revenue annually from this fee and if the fee is collected it will cover the costs incurred by the Board to provide the public record.

12. Is the proposed regulation likely to impose a direct and significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business? What methods did the agency use in determining the impact of the regulation on a small business?

The Executive Director has determined that the proposed regulation does not impose a direct and significant economic burden upon a small business or restrict the formation, operation or expansion of a small business. In making this determination, the Executive Director considered the fact that the proposed amendment to existing regulations coincides with previously made

legislative statute changes and in addition, clarifies and cleans up administrative processes and provisions of the Board. There are no additional requirements on any private business as a result of this proposed regulation and no comments were received regarding the proposed regulation.
